Alix Strategic Plan Review

Residents of Alix and surrounding Lacombe County are invited to provide input for Village Council regarding Strategic Plan Goals.

Goals set by Council often have a direct impact on Village residents regarding service provision and budget. Stakeholders from outside the municipal boundaries who access Village services may also be affected, so their valuable input is being asked for as well.

Please take the time to read this pamphlet and provide your feedback to Council by turning in your filled out survey. Only surveys including a name and physical address will be used when creating the final report to Council. Personal information collected will be kept confidential and will only be used for the purpose of determining Village or non-Village residency.

All ages are encouraged to provide input. Additional surveys are available to pick up at the office or printed from the website. If you belong to a group or organization and would like a Village staff member to attend a meeting to discuss this survey, please contact Village Office at 403-747-2495.

Thank you for taking the time to help us set the path for our future!
