(and you're invited)

REVISIONS TO THE INTERMUNICIPAL DEVELOPMENT PLAN

Tuesday, April 10th @ 7:00 pm
at the Alix Community Hall
(located at 5008-49th Avenue, Alix, on the corner of 49th and Jamieson Street)

The Village of Alix and Lacombe County are currently reviewing the Intermunicipal Development Plan approved in 2011. This plan, at a very broad scale, guides future growth for both municipalities and provides a forum for intermunicipal discussion and collaboration as development occurs in and around the urban fringe of the Village of Alix

The plan area as shown above covers approximately 40 quarter sections surrounding the Village of Alix.

HOW DO I COMMENT?

Details of the proposed amendments to the plan will be posted on the Lacombe County and Village of Alix websites on Friday, March 23rd, linked below:
